To whom it may concern;

As requested, I have compiled the citations for the scanned documents attached from my previous submission to the Inquiry, with links to where these documents may be found online.

regards,  
Lauren

Dear Ms Mellor,

Gasfield Free Communities presented to the Scientific Inquiry Panel at the Katherine Public Hearings on 9 August 2017. You tabled six documents in support of your presentation which are attached to this email.

On scanning these documents, all hyperlinks are lost. If you could please provide any of these documents electronically by reply email, they will be uploaded to the Submission Library as soon as possible.

The Inquiry Panel requested at the hearings to ensure that all topics were referenced. Please confirm by reply email that all material in these attachments are referenced.

Regards
