Subject: Submission on the NT Fracking Inquiry draft Final Report

Dear Justice Pepper and Panel,

Thank you for the opportunity to provide written feedback on the draft Final Report of the NT Fracking Inquiry.

I appreciate that the Panel's report makes many important recommendations in the face of the 115 risks identified.

115 risks . Is that all ? You're joking

Please tell the frackers to go away without further pussyfooting

Thank you for considering my feedback on this critical matter for the future of the Northern Territory.

Yours sincerely, Rodney Jones
