To Whom It May Concern:

As the Chairman and senior elder of Millwarparra Aboriginal Corporation I am writing this letter to confirm the Hydraulic Fracturing Taskforce that the Ngukurr community of Roper River region has concerns with fracking. Please do not frack Ngalakan country.

Ngalakan country is linked to water and dreaming stories and sacred sites. Water cannot be damaged or polluted in this part of the country.

If you have any question please feel free to call me to discuss on [REDACTED]

Mr Eric Roberts

Chairman of Millwarparra Aboriginal Corporation.

Dated: 18 July 2016.
