

a letter to the Panel
of the Scientific Inquiry into
Hydraulic Fracturing.
my submission.

12th March 2017.

Dear Justice Rachel Pepper and Panel

I would like to draw to the attention of
the panel. a report on
a Senate inquiry into unconventional
gas mining
dated Tuesday 12th April 2016.

Hearings were held in Darwin.

— The inquiry came to a stop when the
2016 Federal election was announced.

The report is available at
<http://parliafo.aph.gov.au>.

— a quick explanation,
I have no access to
computers etc. I have
only a land line phone

thank you.
June Tapp.
