

## Appendix 13 Table of correspondence requesting further information

### Current as at 9 October 2017

\* confidential submission (see Appendix 12)

Date	Recipient	Details	Submission reference
28 April 2017	Origin Energy Ltd	Request for data in relation to petroleum resources, water use and land access and disturbance	272
28 April 2017	Pangaea Resources Pty Ltd	Request for data in relation to petroleum resources, water use and land access and disturbance	* 279
28 April 2017	Santos Ltd	Request for data in relation to petroleum resources, water use and land access and disturbance	232
28 April 2017	Schlumberger Australia Pty Ltd	Request for data in relation to water use and chemical toxicity	231
28 April 2017	NT Department of Environment and Natural Resources	Request for data in relation to water resources and ecosystems	224
28 April 2017	NT Department of Tourism and Culture	Request for data in relation to tourism areas, cultural sites, recreational sites and national parks	No formal response submitted
28 April 2017	NT Department of Primary Industry and Resources	Request for data in relation to petroleum resources and water use	*281
28 April 2017	Halliburton Australia Pty Ltd	Request for data in relation to water use and chemical toxicity	274
22 May 2017	NT Department of Environment and Natural Resources	Request for data in relation to water resources	271
24 May 2017	NT Department of Environment and Natural Resources	Request for data in relation to water resources	278
26 May 2017	Origin Energy Ltd	Request for information in relation to fluid ecotoxicity	Addressed in Submission 272
26 May 2017	Santos Ltd	Request for information in relation to fluid ecotoxicity	280
7 June 2017	Senator the Hon. Nigel Scullion	Request for information in relation to Amendments to Pt IV of the <i>Aboriginal Land Rights (Northern Territory) Act 1976</i> (Cth)	No response received
13 June 2017	Department of Primary Industry and Resources	Request for information in relation to environmental rehabilitation securities	* 295
6 July 2017	Department of Primary Industry and Resources	Request for information in relation to the management of weeds on and around petroleum exploration permits	419
6 July 2017	Department of Environment and Natural Resources	Request for information in relation to the management of weeds on and around petroleum exploration permits	419
25 July 2017	Arid Lands Environment Centre Inc	Request for information on greenhouse gas emissions and methane emissions	No written response received. But see submission 353
25 July 2017	Australian Petroleum Production and Exploration Association	Request for information regarding issues identified in the Interim Report: <ol style="list-style-type: none"> <li>1. flowback and produced water;</li> <li>2. spills;</li> <li>3. deep groundwater systems;</li> <li>4. solid waste management;</li> <li>5. health assessment;</li> <li>6. traffic; and</li> <li>7. greenhouse gas emissions.</li> </ol>	421

Date	Recipient	Details	Submission reference
25 July 2017	The Australia Institute	Request for information on greenhouse gas emissions and methane emissions	No response received
25 July 2017	Climate Action Darwin	Request for information on greenhouse gas emissions and methane emissions	No written response received. But see submission 446
25 July 2017	Environment Centre Northern Territory	Request for information on greenhouse gas emissions and methane emissions	No written response received. But see submission 370
25 July 2017	Environmental Defenders Office (NT) Inc	Request for information on greenhouse gas emissions and methane emissions	See submission 456
25 July 2017	Northern Territory Environment Protection Authority	Request for information on greenhouse gas emissions and methane emissions	417
25 July 2017	Imperial Oil and Gas Pty Ltd	Request for information on flow back and produced water, spills, deep groundwater systems, solid waste management, health assessment and greenhouse gas emissions	No written response received. But see submission 408
25 July 2017	Lock the Gate Alliance (NT)	Request for information on well integrity and greenhouse gas emissions	See submissions 370 and 437
25 July 2017	Origin Energy Ltd	Request for information regarding: <ol style="list-style-type: none"> <li>1. flooding;</li> <li>2. well integrity;</li> <li>3. flowback and produced water;</li> <li>4. spills;</li> <li>5. deep groundwater systems;</li> <li>6. solid waste management;</li> <li>7. health assessment;</li> <li>8. infrastructure requirements;</li> <li>9. baseline data;</li> <li>10. traffic;</li> <li>11. greenhouse gas emissions; and</li> <li>12. comments on Section 9.8 of the Interim Report regarding Preliminary Risk Assessment.</li> </ol>	433
25 July 2017	Pangaea Resources Pty Ltd	Request for information on greenhouse gas emissions, and methane emissions	427
25 July 2017	Santos Ltd	Request for information on greenhouse gas emissions and methane emissions	420
25 July 2017	Schlumberger Australia Pty Ltd	Request for information on well integrity, flowback and produced water, spills, solid waste management, health assessment, and greenhouse gas emissions	See submissions 460 and 464
31 July 2017	Commonwealth Scientific and Industrial Research Organisation	Request for information on greenhouse gas emissions and methane emissions	450
1 August 2017	NT Department of Primary Industry and Resources	Request for information regarding further input regarding the below matters: <ol style="list-style-type: none"> <li>1. well integrity;</li> <li>2. flowback and produced water;</li> <li>3. solid waste management;</li> <li>4. infrastructure requirements;</li> <li>5. disposal of wastewater into aquifers;</li> <li>6. storage;</li> <li>7. discharge into waterways;</li> <li>8. Amungee well data;</li> <li>9. greenhouse gas emissions;</li> <li>10. minimum standards;</li> <li>11. regulatory capture;</li> <li>12. cost recovery;</li> <li>13. compensation; and</li> <li>14. strategic development.</li> </ol>	*424

Date	Recipient	Details	Submission reference
2 August 2017	Consolidated Pastoral Company Pty Ltd	Request for information regarding claims made by Lock the Gate Alliance (NT) that there were water studies around the Beetaloo Sub-basin commissioned	418
2 August 2017	Geoscience Australia	Request for information regarding: <ol style="list-style-type: none"> <li>1. future development of each basin;</li> <li>2. groundwater studies; and</li> <li>3. recharge rates of the Tindall limestone aquifer.</li> </ol>	414
2 August 2017	Australian Government Department of Industry, Innovation and Science	Request for information regarding the objectives of the Royalty Return Scheme	459
8 August 2017	NT Department of Environment and Natural Resources	Request for information regarding the Department of Environment and Natural Resources <i>Environmental Regulatory Reform Discussion Paper</i>	*449
11 August 2017	Australian Government Department of the Environment and Energy	Request for information on greenhouse gas emissions and methane emissions	445
14 August 2017	Commonwealth Scientific and Industrial Research Organisation	Request for information regarding research being undertaken by GISERA on groundwater in the Hutton Sandstone aquifer in the Surat Basin	451
18 August 2017	Commonwealth Scientific and Industrial Research Organisation	Request for information regarding groundwater dependent ecosystems	452
18 August 2017	NT Department of Environment and Natural Resources	Request for information regarding flow rate estimates	429
31 August 2017	Australian Government Department of the Environment and Energy	Request for research commissioned in relation to chemicals used in hydraulic fracturing	*482
11 September 2017	NT Department of Environment and Natural Resources	Request for information regarding surface spills and groundwater contamination, and oxygen	481
13 September 2017	Alberta Energy Regulator	Request to discuss the Alberta Energy Regulator's experience with shale gas development and understanding of the regulatory framework within which the regulator operates and which governs onshore shale gas development in Alberta	483
19 September 2017	NT Department of Environment and Natural Resources	Request for an indicative Fire Management Zone Risk and Hazard Map and to provide the outcomes of public consultation administered by Bushfires NT regarding changed fire regimes in the Northern Territory	473
20 September 2017	Northern Territory Environment Protection Authority	Request for information regarding the regulatory framework for the management of spills of chemicals and wastewater associated with hydraulic fracturing	480
20 September 2017	NT Department of Primary Industry and Resources	Request for information regarding the regulatory framework for the management of spills of chemicals and wastewater associated with hydraulic fracturing	492
20 September 2017	NT Department of Environment and Natural Resources	Request for information regarding the regulatory framework for the management of spills of chemicals and wastewater associated with hydraulic fracturing	492
20 September 2017	NT Worksafe	Request for information regarding the regulatory framework for the management of spills of chemicals and wastewater associated with hydraulic fracturing	472
20 September 2017	Hancock Prospecting Pty Ltd	Request for information related to buffer zones regarding Exploration Permit 154 and evidence of compliance with regulation and no significant environmental incidents indicated in a submission to the Inquiry	474

Date	Recipient	Details	Submission reference
22 September 2017	NT News	Request for information regarding associated research gathered from the MediaReach poll referenced in the NT News article <i>Fracking to Divide Territory Labor</i> published 31 August 2017	484
24 October 2017	BC Oil and Gas Commission	Request for information in relation to the regulation of the onshore unconventional gas industry in British Columbia.	No formal response submitted
