Dear Honourable Justice Pepper,

MediaReach, on behalf of the NT News, conducted a poll from 25 to 27th August, 2017.

The poll was undertaken as an automated IVR telephone poll.

There were 1425 respondents from across the Territory with a margin of error of plus or minus 3 per cent.

The results were weighted to age and gender as well as population distribution and voter identification.

MediaReach has extensive experience polling the NT.

Attached is the results to the single question on fracking that was asked.

Yours sincerely,

Matt Williams
